## COMMANDER'S CORNER

Another calendar year is coming to a close and we veterans may well have marked December 7th on the calendar, Pearl Harbor Remembrance Day.

Each year, this date is remembered, in large part, due to President Franklin Delano Roosevelt's speech, but our relationship to Japan and the Axis Powers has changed.

Our enemies are now our friends. Russia was an ally in WW II, but is no longer a friend. Major General Claire Lee Chennault commanded the Flying Tigers as we aided China, which is no longer a friend.

So in the coming year, one might wonder who will be our friends and who will not be our friends.

Our political environment almost always changes. The Covid-19 Pandemic has also brought about societal changes.

How do we deal with change, or do we?

Assuming we have and care about grandchildren, we know their changing world is quite different from the America in which we were raised.

Some of them and/or their friends may be in need of our guidance in coping with life and life's changes. Make yourself easily available to them, for their coping skills may not be as effective as ours.

December is also a special holiday month for giving. You can give more than physical presents. You can give YOUR presence.

# ADAPTIVE GOLF IN GEORGIA

To: Pete Mecca <[petemecca@gmail.com](mailto:petemecca@gmail.com)>

I received this email from my Chaplain at the Atlanta WWII Round Table. This is a great program for our disabled brothers and sisters. Please share with your contacts.

Hi, Pete.

Hope you've been well.

Tomorrow I'm going to meet with David Windsor, director of the GA Adaptive Golf. Have you heard of this program? They have four clinics around Metro Atlanta and they work with Veterans and people with disabilities who love to golf.

I thought it would be something to tell our Veterans either by email, or at our next meeting, in case they are interested. And, I bet a lot of your VN and current war buddies would be really interested in the program for anyone with disabilities.

Some info is below regarding my paperwork for tomorrow's meeting, but hopefully the website is included so you can research if you need to.

Thanks, stay well, and behave yourself!

Patti

- There is an increased need for Blood Donor Ambassadors (BDAs) around the state due to additional screening and sanitizing needs at all of our drives.
- The purpose of the role is to assist with temperature taking, registration and giving the donor a great experience at the blood drives in order to encourage future donations.
- Shifts are based on the individual's availability and the scheduled drives in the area.

Volunteers are able to self-schedule on-line with the request that they work at least 1 shift per month.

This is a sample of the many opportunities volunteers have to serve the Red Cross mission while serving their own communities but other roles are also available. I am happy to schedule a call if you have any questions or need additional information.

## WHAZZUP?

Every year, each adjutant in American Legion Posts has to fill out an [Annual Report](#).

The Report includes a listing of what members do, dates, times, activities, in order to validate our outreach to our communities.

This is a formal request for you to review things that you have done and to send your deeds to our Adjutant, Maria Klenhard Maria Klenhard [meklenhard@aol.com](mailto:meklenhard@aol.com).

Maria will list our member activities in the Annual Report. The listing substantiates Legion claims to help our communities, apart from holding meetings and formal Legion-sponsored events.

If you are unsure of any activities, send them, anyway, and Maria can validate them or not. We want to get credit for the good things we Legion members do and nobody knows unless we publish them.

## BUDDY-CHECKS

Hope you've already had one of our Buddy-Checks, a 'phone call to see how you are doing, to remind you that we care and to see if you need anything with which we can help. We plan another call in the near future, 'cause we care!
