COMMANDER'S CORNER

This newsletter marks our cyber Post's sixtieth edition. During the past five years we have seen many changes. most for the good. We developed a Web site and monthly newsletter.

Thank you for being a part of Georgia's first and only Internet-based Post. You have supported and are supporting a unique opportunity for veterans to belong to the foremost veteran organization.

Our Post serves as a fitting tribute to the man for which we are named, Colonel Larry Alan Hoff.

Because we are not a brick-and-mortar Post, we are able to attend meetings via the Internet, making travel unnecessary and inclement weather a non-factor. We have no building and grounds, utility and insurance expenses.

Two other unique factors are our four-digit ePost 2100 designation and our link from the home page of our Department's Web site.

The Post stepped up, when asked, to maintain the Department Auxiliary's Web site when it lost its Webmaster.

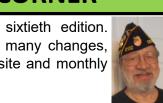

We do have a few drawbacks, however, but, overall, we can take pride in our very existence, not to mention contributions to various communities.

What the future holds for us is, in part, up to you. Share with me the ways in which we might improve our organization and services to veterans and their families.

RECORD ATTENDANCE

We had a record ten attendees at our February meeting. Grace, at GoToMeeting [Toll-free: (877) 582-7011 Long Distance: +1 805 617 7370], stated to me that we can have up to 25 video screens on at one time.

However, a cell phone caller will be notified the que is full, depending on the number of video callers using the program.

YOUR VOLUNTEER HOURS

Paul reminds us to notify our ePost 2100's Adjutant <u>TED RICHARDS</u> of our volunteer hours (things we do on our own to help our communities and organizations).

Ted logs these hours and sends in a report to National, as these hours of selfless service are important.

SERGEANT STUBBY, WAS A LIFETIME MEMBER OF OUR AMERICAN LEGION

Did you know that a highly-decorated World War One "war dog", named Stubby, became a life-long member of our American Legion?

The following link is but one of many which memorialize the valiant canine:

https://www.legion.org/magazine/226138/sgt-stubby.

Dear American Legion Family and Friends,

Like all parents Sheryl Johnson wants the best for her children, emphasizing the importance of a college education. As a single mother, she had spent many hours at her kitchen table, calculator in hand, trying to figure out how to make college payments for her oldest child, DeAndre Johns.

Johnson, a 10-year Army veteran with an 80 percent VA disability rating, eagerly awaited hearing about whether DeAndre would receive a Legacy Scholarship from The American Legion. Once the news came last spring, it changed everything.

"When I got the scholarship, it did feel like a jump start," said DeAndre, a freshman majoring in petroleum engineering at Texas Tech University. "It made it feel like this is real. I can make my place in the world because of the scholarship."

Johnson is a first-generation college graduate. "College to me is everything," she said. "I am so thankful that he got this scholarship because it helps us tremendously."

Their story is among hundreds that have been made possible by American Legion Family members over the years. Just last year, 55 recipients received the needs-based scholarship to help pay for college.

The April 9 application deadline for the 2018-19 school year may seem a long way off. But it's really not. Students should not hesitate to begin **learning about the scholarship and compiling information**.

Those scholarships are made possible by the dedication of our American Legion Riders who have annually helped raise \$1 million or more for these scholarships. These donations are turned into **scholarships** for children whose parents have either died on active duty since 9/11 or have a combined VA disability rating of 50 percent or greater.

These scholarships not only help students afford college, they change lives and inspire young minds. Jacob Mussi, a physics student at Boston University, is another recipient who is full of gratitude for the American Legion Family.

"Thank you goes without saying. Thank you so much," he said. "When you have a cause that's important like (The American Legion Legacy Scholarship), just taking not only time out of your day but money out of your wallet to support somebody else's problems is a type of generosity that I hope to have someday."

Family First.

DEPARTMENT ADJUTANT'S NEWSLETTER February 2018

Spring Conference - 2018:

March 23 - 25, 2018

Enclosed is the housing information for the Spring Conference. Please pass this information to the Legionnaires, Auxiliary, S.A.L. and Legion Rider members of your Post and encourage them to make their reservations early. Make extra copies and distribute as required.

Also, information enclosed on the Department Commander, Auxiliary President, S.A.L. Detachment Commander, and Legion Riders Director's Homecoming Banquet at the Spring Conference on Saturday evening. We need to support and honor our top officers of the Georgia Department of The American Legion, make your reservation.

Remember NO tickets will be SOLD at the Conference.

Georgia American Legion College:

March 24-25, 2018

The Department of Georgia will hold its annual American Legion College May 24-25, 2018. The College will give Legionnaires, SAL and Legion Riders an opportunity to get a comprehensive course of study over a three-day period on many programs of The American Legion and help participants become a leader in the largest Veterans' organization in our country.

Only those who have a genuine interest in learning more about The American Legion and accepting the responsibilities of leadership should apply. The College will address many programs, and the issues facing our great organization. The importance and skills of leadership will be interwoven into the curriculum.

Attendees will be required to be active participants in all classes in order to graduate. Legionnaires who have been active members for many years, and who have significant leadership experience, may apply; however, they should seriously consider the alternative of encouraging the application of younger Legionnaires who might profit more from their experience and lead to the success of our future missions.

Upon completion of this College, participants will not only have a better understanding of the programs, goals and mission of The American Legion, but will also have the confidence to become active, knowledge able leaders in its future.

Bring Pad and Pencil

<u>Department Commander, Auxiliary President, Commander of the Sons of The American</u> <u>Legion and Legion Riders Director Joint Special Project:</u>

Commander Pizzo will be accepting your donations on Friday morning at the Spring Conference. Remember our hospitalized Veterans. Last year with your donations we had a great year – let's make this year even greater.

Georgia Boys State:

May 27, 2018 to June 2, 2018 at Riverside Military Academy in

Gainesville, GA

May 27th thru June 2nd – Georgia Boys State. Please don't forget these dates, yes we are a little early, however, it it what it is. We can make this happen and have a successful 2018, with your support.

Georgia Boys State will once again be held at Riverside Military Academy in Gainesville, GA and the cost per student is still \$250.00.

I strongly encourage Post and District Commanders to get the word out to your schools and work on student selections. I get an average of 4 calls or emails each week from students, Parents and Schools asking about the Program and the selection process. I filter thru them and forward them to District Commanders. Post and District Commanders, please get into your schools.

We are expecting a banner year, however those expectations will fall short without your support.

A WEEK THAT SHAPES A LIFETIME

NATIONAL EMERGENCY FUND (NEF)

The Preamble to The American Legion Constitution sums up the theme of the National Emergency Fund "... devotion to mutual helpfulness." This phrase is more than just mere words on paper; it's our pledge of support to Legionnaires and their family members. The fund provides up to \$3,000 for qualified Legion Family members and up to \$10,000 for posts. The eligibility requirements are:

- Applicant must have been displaced from his or her primary residence due to a declared natural disaster.
- Applicant must provide pictures of the damages to your primary residence.
- Applicant must provide copies of receipts of items required to meet immediate needs such as temporary housing, food, water, clothing, diapers, etc.
- Membership must be active at time of disaster and the time of application.

The disasters of last year, Hurricanes Harvey, and Irma. The wildfires in the west have put a strain on the funds. So, when you make your donation this year... please dig a little deeper and contribute.
